LETTER OF RECOMMENDATION

To Whom It May Concern,

I am writing to wholeheartedly recommend Kredcor Khuluma CC for the outstanding debt collection services. We have been working with Kredcor Khuluma CC from October 2007, and they have consistently demonstrated professionalism, efficiency and are committed to excellence.

Marilè von Loggerenberg who is my contact person at Kredcor Khuluma CC is not only skilled and knowledgeable but also highly responsive to our requests and instructions. For example, there was a matter/debtor that was handed over for collection. The debtor was contacted immediately after Kredcor Khuluma CC received our instruction. The debt was paid and settled within 24 hours. Kredcor Khuluma's quick response to matters assists in minimizing our bad debts.

Their customer-focused approach is what sets them apart from any other debt collector. They go above and beyond and always follow up to ensure their customers are satisfied.

I confidently recommend Kredcor Khuluma CC to any business seeking a reliable collection agent. Should you wish to discuss our experience further, feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads "J. Mansi". The signature is written in a cursive, flowing style.
